### Usage of Transitional Phrases

**Transitional Words Score:** 53

This score is based on quality of transitional phrases used within your paper. You did equal or better than **30%** of the people in your grade.

**Your usage of transitional phrases is below average.** Please review the writing tips below.

One sign of an excellent writer is the use of transitional phrases (e.g. therefore, consequently, furthermore).

Transitional words and phrases contribute to the **cohesiveness**

([http://www.PaperRater.com/vocab\\_builder/show/cohesiveness](http://www.PaperRater.com/vocab_builder/show/cohesiveness)) of a text and allow the sentences to flow

smoothly. Without transitional phrases, a text will often seem disorganized and will most likely be difficult to understand. When these special words are used, they provide organization within a text and lead to greater understanding and enjoyment on the part of the reader.

The following transitional phrases were found in your document:

specifically, and, since, especially, yet, however, therefore, although, conversely, as a result

Consider using additional transitions where appropriate:

- consequently ([http://paperrater.com/vocab\\_builder/show/consequently](http://paperrater.com/vocab_builder/show/consequently))
- moreover ([http://paperrater.com/vocab\\_builder/show/moreover](http://paperrater.com/vocab_builder/show/moreover))
- nevertheless ([http://paperrater.com/vocab\\_builder/show/nevertheless](http://paperrater.com/vocab_builder/show/nevertheless))
- notwithstanding ([http://paperrater.com/vocab\\_builder/show/notwithstanding](http://paperrater.com/vocab_builder/show/notwithstanding))
- accordingly ([http://paperrater.com/vocab\\_builder/show/accordingly](http://paperrater.com/vocab_builder/show/accordingly))

- ordinarily ([http://paperrater.com/vocab\\_builder/show/ordinarily](http://paperrater.com/vocab_builder/show/ordinarily))

Transitional phrases may be used in various places in a text:

- between paragraphs
- between sentences
- between sentence parts
- within sentence parts

Consider this example:

She didn't like the pudding and, **consequently**, threw it all away.

The word '**consequently**' contributes to greater unity or cohesion between sentences and allows the text to flow more smoothly.
